**WOLVERINE
BOBWHITE BOOT** ▲

WOLVERINE.COM | \$130

The Wolverine Bobwhite hunting boot features Wolverine Zero Mass design that's lightweight and durable, built for the longest treks through the most brutal terrain. The athletic boot features a lightweight EVA outsole with rubber forepart and heel pads for cushioning and non-loading traction. The Bobwhite has a low-profile 10-degree heel-to-toe angle for stability over unforgiving terrain. A waterproof performance leather and 1,000 Denier Nylon upper lined with a wave mesh waterproof membrane guarantees that feet stay dry.

MEMBER REVIEW

"The Bobwhites are fantastic with their lightweight design, comfort and warmth. I highly recommend these dependable boots!"

**TIMNEY TRIGGERS
WIN 70 MOA** ▼

TIMNEYTRIGGERS.COM | \$119.95

This self-contained, drop-in trigger is ready to install in your Winchester Model 70 rifle with the MOA trigger. The trigger features an exceptionally smooth, crisp, single-stage pull and requires no gunsmithing or fitting. Just like all Timney bolt-action rifle triggers, the new Winchester MOA replacement is fully adjustable for creep, follow-through and pull weight.

MEMBER REVIEW

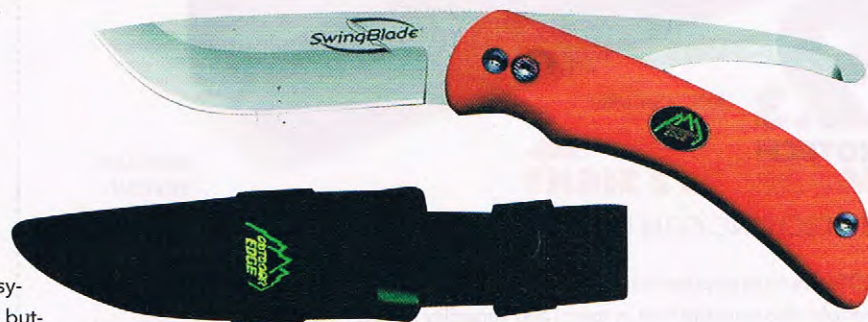

"The Timney Trigger was reliable and is a great improvement for the Winchester Model 70. It's really worth purchasing."

SWINGBLAZE** ▶

OUTDOOREDGE.COM | \$79.95

The best-selling SwingBlade now has an easy-to-locate blaze orange handle. Push the lock button and the blade changes from a drop-point skinner to the ultimate gutting blade. This innovative blade cuts under the skin, eliminating the chance of cutting hair or internal organs. The SwingBlade is hand-finished, shaving sharp, made from AUS-8 stainless-steel, and subzero-quenched for superior edge retention and performance. Each SwingBlade comes with a high-quality nylon belt sheath and is lifetime guaranteed against manufacturer defect.

MEMBER REVIEW

"This knife is excellent! Every function works as advertised and it's very convenient. Even a couple of friends purchased one after hearing about it!"
